

# Owner's Website

Listed below are instructions on how to set up and log in to our Residential Owner Associations' Website. We have the Brasada Ranch Residential Owners Association documents posted on this site and update it monthly with newsletters and other relevant information. We encourage use of this tool to assist us in reducing the amount of printed documents at Brasada Ranch.

1. Go to: <http://owner.brasada.com> from your web browser
2. Navigate to the bottom/center part of the page that reads "Do you need a profile? [Register for one here](#)" and click on "[Register for one here](#)."
3. This will open the registration page. Complete all fields and "Save Profile."
4. Check in frequently for updates and other important information.

Your "Owner Number" is your SPI number, which is issued by accounting. If you do not have your number yet, please feel free to contact Suzie Wyss, HOA Manager and we will provide you with your number. Thank you!
